## *'How much fun can you take?'*

Welcome to Ludorati Café's 'Escape The Cube' series of exciting live action team challenges, which takes the traditional Escape Room tasks into a different realm.

We currently have over 100 innovative scenarios in design and this catalogue provides details of the first eight (series 1) that are now available which provide a traditional but challenging mix.

Most of our challenges will not be just puzzle-based but have a host of different contexts with different tasks/activities to provide variety. This is no ordinary 'Escape Room'.

Scenarios may also have different durations to reflect the challenge. We hope the range will satisfy all types of different needs sought by customers. They will be available to play all week from 10:00am to 9:15pm with ten different time slots each day.

Priced from £4.99 upwards per person per game we feel this offers fantastic value for those seeking the next level in 'room entertainment'.
