LUDOR

Welcome to Ludorati's 'EscapeDrome™' series of exciting live action team challenges, which takes the traditional Escape Room experience to a different realm.

Whether it's escaping from an alien infested space ship or 'strange' wonderland or surviving earthquakes, zombies, creepy clowns, rogue machines and/or Cthulhu monsters etc - it's all here.

For those budding detectives, there's plenty of choice in helping Holmes and Watson solve a range of baffling cases including those of Jack the Ripper.

This year sees Ludorati's 'EscapeDrome™' scenarios increase with plans to have over 120 by the end of 2022, of course all based on you, the customer, taking up the challenge.

Most of the scenarios are not just puzzle-based, but have a host of different contexts with different tasks/activities to provide variety and satisfy all types of different needs and expectations.

Something for everyone. This is no ordinary 'Escape Room'.

They will be available to play all week from 12:30pm to 9:15pm with ten different time slots each day.

Priced from £4.99 upwards per person per game - fantastic value for those seeking the next level in 'room entertainment'.

'How much fun can you take?'

The first series of scenarios are all 1 hour duration, available all week from 12:30pm to 9:15pm with eight different time slots each day as shown below.

Currently bookings can be made either in-store, by phone: 0115 959 6998 or by e-mail: reservations@ludoraticafe.com.

To take advantage of the 'Escapedrome™' scenarios requires Ludorati membership. However, bookings can be made by non-members who can sign up for free membership on booking.

Please note payment is made on visit. However, once booked, cancellations will be charged to the member's account, unless otherwise notified at least 24 hours before session.
